

High exposure  
for your company

## MEDIA PACK RECOMMENDED ONLINE

### A WEB PRESENCE WITHOUT ALL THE HASSLE!

Following the success of Recommended Magazine we are now giving advertisers the chance to be promoted as a recommended company on the internet. If you are looking to get a web presence for the first time or want to direct more traffic to your existing website then the Recommended team have the answer. Put your message in front of the people of Sutton Coldfield with a Recommended web feature.

### 10 GOOD REASONS FOR LOCAL BUSINESSES TO JOIN RECOMMENDED SUTTON COLDFIELD ON THE INTERNET

- You will attract more customers
- Your Web feature is like a mini website, gaining you terrific exposure for little effort or expense.
- It will help direct more traffic to your own website if you have one.
- If you haven't yet got a website then a Recommended Web feature is a terrific way to establish your business on the internet for the first time
- You have the opportunity to hold a premium spot in your category – this will ensure that visitors always see your business first.
- You will be part of an exclusive and trusted group of local businesses
- You will be part of a dynamic local site, run by experienced local people, for local people.
- No hassle, we will set up your feature with seo friendly wording and look after it -including future amendments.
- High exposure for your company
- Use of Recommended logo (if your business qualifies)

### PRICE LIST

£65.00 to set up the feature | £10.00 per month to look after it
